Dear Ajah Aguer,

This letter is to advise you that the 2/19/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Case Complaint, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1911(1) Care; supervision; children.	Ajah Aguer did not provide appropriate supervision to Child A while she prepared lunch. Child A was bitten eight times by Child B causing injury. Ajah Aguer knew that Child B needed extra supervision due to his biting tendency.	Ajah Aguer and Paul Mawut established a written "biting" policy. For episodes of ongoing biting, they will develop a plan of specific strategies, techniques, and a timeline. They will work with the child to learn more appropriate behavior. A child may be disenrolled if the biting continues. Their goal is to keep the children safe.	02/19/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
