II. Purpose of Addendum

On 08/10/2022, Ms. Bitely requested that an additional room that was recently added onto the home be approved as child care use space.

III. Methodology

08/10/2022 Modification Request Received

IV. Description of Findings and Conclusions

The terms of the original license have been modified on 08/02/2022 and 08/19/2022.

The new playroom on the main floor is approved for child care use. The room is located in the front of the home on the northeast side.

The previously approved space:

The front living room (former playroom), dining room, kitchen, back living room and two bedrooms on the main floor and the living room and bedroom in the basement are approved for child care use.

There are bathrooms located on the main floor and in the basement. There are four remotely located exit doors on the main floor. The basement exits include an exit window and stairs leading to the main floor.

Terms:

The child care group home is approved for a total capacity of 14 children.

V. Recommendation

I recommend the addition of the playroom as approved child use space.
