Dear Ms. Stokes:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, an original license with a capacity of 12 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (616) 356-0183.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read "Stacia L. Thrower".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

This group child care home is located in a two – story house within a residential area of Grand Rapids, Michigan.

Rooms and levels approved for child care use: The main level of the home is approved for child care use. Approved areas on the main level include the kitchen/dining area, living room, and two secondary bedrooms. There is a restroom available for children to use on the main level of the home.

Areas not approved: The upper and basement levels of the home are not approved for child care use. The basement is approved for use as a storm shelter only.

Ages of children served: Children are accepted for care from birth through 12 years of age.

Equipment: There is an adequate supply of play and learning equipment available for children to use. Ms. Stokes provides overnight care for children. She has a full-sized futon sleeper bed with an attached twin sized bunk bed for resting. There are also 2 cribs available for infant use. Appropriate bedding is available for overnight care.

Proposed days and hours of operation: This group child care home operates from 12:00AM – 11:59PM, Monday through Sunday.

Previous or concurrent licenses, including children's foster care: Ms. Stokes was licensed to provide child care at a different address (DF410401758). She has not been licensed to provide children's foster care.

Exiting information: The front door, side door, and a sliding door leading to a deck provide exits from the main level of the home.

Outdoor play area description: The designated outdoor play area is located in the back yard. A fence encloses this area on 3 sides and the garage provides a natural barrier on the 4th side. There is an opening between the deck and the garage, but a latched chain link gate encloses this section of the play area.
