Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Group Home.

During my on-site inspection were two children in care. One of the children was related to Jeanine Grant. The children were engaged in free play. The home was clean and organized with a variety of age-appropriate materials and equipment for the children to access. All home and child files were organized, complete and made readily available.
