Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Group Home.

As a result of the Interiminspection(s) on 12/7/2023, licensing consultant Timothy Swope did not find any rule or law violations.

During my onsite inspection on 12/7/23, I observed the children during free play and an arts and craft activity. All of the rooms were equipped with an adequate amount of age-appropriate play and learning equipment. Ms. Taylor provides the children with both structured and freedom of choice learning activities that include arts and craft activities. Child care staff member interaction with the childcare children was positive and nurturing.

If you have any questions regarding the report, please contact licensing consultant, Timothy Swope, at (517) 262-9838. In the event that Timothy Swope is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
