Dear Ms. Quist:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 12/05/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes. As a result of the inspection, I did not find any rule or law violations.

I observed appropriate interaction between the child care staff members and the child care children. I observed the children during nap/rest time. Other daily activities that the children engage in include outdoor play, snack, lunch, small and large group activities, arts and crafts, and various preschool learning activities.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 262-9838.

Sincerely,
