Dear Ms Rebottaro:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 08/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

R 400.1904a **Child care staff member; employment requirements.**

(2) Before caring for children at a child care home, an individual shall provide the licensee with all of the following:

(c) Proof of training in the prevention of infectious disease, including immunizations. Hours of training in the prevention of infectious disease from MiRegistry will be allowed to count for training hours to meet this requirement.

Three staff members lacked training in prevention of infectious disease.

On 8/24/2022, you gave us an acceptable written corrective action plan.

I observed the children engaged in freedom of choice learning and reading time. I provided a basic rule review regarding infant safe sleep rules and the comprehensive background check system.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
