Dear Ms. Graham:

This letter is to advise you that the 09/08/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.1931 (8) Food preparation and service.	I observed an infant drinking from a bottle that was not labeled with the child's first and last name and date.	Ms. Graham will label all bottles with children's names and date.	09/08/2021

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (248) 975-5053.

Sincerely,
