Dear Mrs. Becker:

This letter is to advise you that the 02/09/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
-----------------	------------------------	-----------------	----------------------

R 400.1907(1)(a) Child's records.	I reviewed eight child information cards. The following information was missing: (5) date of admission, (2) mother and or father's employer and or employer telephone number, (2) physician phone number and (2) allergies/special needs/special instructions.	Parents will complete the child information cards.	03/09/2021
R 400.1907(1)(b) Child's records.	Two of the eight child files reviewed did not have a child in care statement on file.	All parents will complete new child in care statements.	03/09/2021
R 400.1907(2) Child's records.	Six of the eight child in care statements reviewed were not updated annually as required.	All parents will complete new child in care statements.	03/09/2021

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
