R 400.1905(4)	Training.
R 400.1905(7)	Training.
R 400.1905(9)	Training.

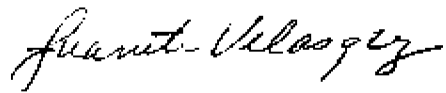

You gave us an acceptable written corrective action plan. We will send you a regular license in the mail.

<b>During calendar year 2022:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517)284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

Juanita G. Velasquez, Licensing Consultant

## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff,

and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

**R 400.1905            Training.**

- (3) A licensee shall ensure that child care staff members and child care assistants, prior to caring for children, have training that includes information on all of the following:
  - (a) Safe sleep practices to prevent sudden infant death syndrome.
  - (b) Recognition of and the reporting of child abuse and neglect.
  - (c) Prevention of shaken baby syndrome, abusive head trauma, and child maltreatment.

One child care staff member did not complete the trainings listed in subsections (b) and (c). Two other child care staff members did not have documentation of safe sleep practices training to prevent sudden infant death syndrome.

**R 400.1905            Training.**

- (4) Within 90 days after receiving a child care license or of being hired at a child care home, a licensee, a child care staff member, and a child care assistant shall complete training on all of the following topics:
  - (a) Child development.
  - (b) Administration of medication.
  - (c) Prevention of and response to emergencies due to food and allergic reactions.
  - (d) Handling and storage of hazardous materials and the appropriate disposal of biocontaminants.
  - (e) Precautions in transporting children.
  - (f) Building and physical premises safety.
  - (g) All hazards emergency preparedness and response planning.

One child care staff member did not complete the trainings in subsections (a) through (g).

**R 400.1905 Training.**

(7) CPR and first aid training certification must be maintained according to the expiration dates on the individual's certification cards.

Two child care staff members did not have current training in CPR and first aid.

**R 400.1905 Training**

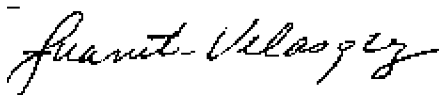

(9) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.

The licensee did not have the 2021 or 2022 refresher trainings completed.

A corrective action plan was requested and approved on 08/10/2023. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

**IV. RECOMMENDATION**

I recommend issuance of a regular license to this child care group home (capacity 7-12).
