III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and

training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.1905 Training.

(7) CPR and first aid training certification must be maintained according to the expiration dates on the individual's certification cards.

Ms. Baker did not maintain a current certification in CPR and First Aid.

R 400.1905 Training

(9) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.

Ms. Baker had not completed the 2021 refresher trainings. She also did not ensure that her childcare staff members completed the required refresher trainings as required.

R 400.1906 Records of a licensee; child care staff member; child care assistant.

(1) A licensee shall maintain a file for each childcare staff member and each child care assistant that includes all of the following:

(c) A statement signed by a licensed physician or his or her designee that attests to the individual's mental and physical health., and which must be updated as follows:

(ii) For a childcare staff member and a child care assistant, within 1 year prior to caring for children and at the time of subsequent renewals of the child care home's license.

A childcare staff member did not have a current physical exam on file as required.

A corrective action plan was requested and approved on 03/31/2023. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend issuance of a regular license to this childcare group home (capacity 7-12).
