Dear Ms. Spano-Mercure:

This letter is to advise you that the 08/01/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

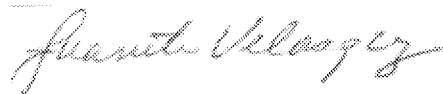

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1920(5)(a) Outdoor play area and equipment.	A dome climber was installed in the outdoor play area. The climber was placed over grass. The bare dirt was visible under the small climber where the woods chips had been displaced.	Ms. Spano-Mercure will add pea gravel or rubber mulch under the climber and all climbing equipment.	08/15/2023
R 400.1920(5)(c) Outdoor play area and equipment.	Play equipment was placed within 6 feet of the perimeter of the small play structure.	Ms. Spano-Mercure will move all playground equipment six feet from the perimeter of other play equipment.	08/15/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
