RE: License #: DG500398130
Mee-Maw's Too Child Care
24745 26 Mile Road
Ray, MI 48096

Dear Ms. Dickson:

This letter is to advise you that the 01/04/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.1905(1) Training	The licensee did not complete 10 hours of training in 2020 or 2021.	The licensee will ensure that she completes 10 hours of professional development annually. The licensee will complete the missing training hours for 2020 and 2021.	Will complete annual hours by December 2022 and make up hours within 45 days.
R400.1905(3)(b)(c) Training	The licensee did not complete the health and safety training in recognition and reporting of child abuse and neglect or	The licensee will ensure all child care staff members complete the required health and safety trainings before working with children.	Completed

	on abusive head trauma and child maltreatment.		
R400.1905(4)(a)-(g) Training	The licensee did not complete the health and safety training on subsections (a) through (g) of the rule.	The licensee ensure all child care staff members are complete the required health and safety trainings before working with children.	Completed
R400.1905(7) Training	The licensee indicated that she had not renewed her cpr/first aid training and she thought the certification expired in 2020.	The licensee will complete CPR/First aid certification.	Completed
R400.1944 (3) Smoke detectors; fire extinguishers	The fire extinguisher on the main floor was replaced with a smaller fire extinguisher. The new extinguisher was smaller than 2A-10BC.	Licensee will replace the fire extinguisher.	

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (810) 787-7031.
