Ray, MI 48096

Dear Ms. Dickson:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 04/05/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

R 400.1904a Child care staff member; employment requirements.

(2) Before caring for children at a child care home, an individual shall provide the licensee with all of the following:

- (a) A valid certification in infant, child, and adult CPR.
- (b) A valid certification in first aid.

A child care staff member did not have valid CPR and first aid certification.

R 400.1905 Training.

(3) A licensee shall ensure that child care staff members and child care assistants, prior to caring for children, have training that includes information on all of the following:

- (a) Safe sleep practices to prevent sudden infant death syndrome.
- (b) Recognition of and the reporting of child abuse and neglect.
- (c) Prevention of shaken baby syndrome, abusive head trauma, and child maltreatment.

A child care staff member present and working with children, did not have the above listed trainings prior to working with children.

R 400.1905 Training

(9) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.

Ms. Dickson did not complete the 2022 refresher training.

R 400.1906 Records of a licensee; child care staff member; child care assistant.

(1) A licensee shall maintain a file for each child care staff member and each child care assistant that includes all of the following:

(c) A statement signed by a licensed physician or his or her designee that attests to the individual's mental and physical health., and which must be updated as follows:

(ii) For a child care staff member and a child care assistant, within 1 year prior to caring for children and at the time of subsequent renewals of the child care home's license.

A child care staff member did not have a physical on file.

R 400.1919 Communicable disease; immunization; mental and physical health; physician attestation; tuberculosis.

(3) An applicant, licensee, child care staff member, child care assistant, and a member of

the household who is age 14 or older shall provide written evidence of freedom from communicable tuberculosis (TB) prior to caring for children or living in the child care home.

A child care staff member did not have a TB test conducted.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517)284-9730.

Sincerely,
