Dear Ms. Lundholm:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 07/22/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

Technical assistance was provided regarding newly-purchased outdoor equipment and independent outdoor play.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

During the inspection, I observed children engaged in active outdoor play. The outdoor area provided an excellent variety of developmentally appropriate activities. The licensee and staff members provide proper supervision of the children including positive interactions.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (906) 226-4171.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink that reads "Anne O'Neill". The signature is written in a cursive style with a large, looped "A" and "O".
