Dear Mrs. Ricketts:

This letter is to advise you that the 5/18/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed | Plan to correct | Date to be completed |
|---|--|---|-----------------------------|
| R 400.1907(1)(a): Child's records. | Of the eight child information cards reviewed, seven of them were missing some information. | All missing information was completed by parents. In the future, no lines will be left blank. | 5/10/23 |
| R 400.1933(4): Water supply; sewage disposal; water temperature. | The water temperature of the upstairs sink used for child hand washing was 123 degrees on the day of the inspection. | Water temperature on hot water tank was turned down and water is now 118 degrees. | 5/15/23 |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.
