Dear Ms. Snyder:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 05/25/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

At the time of the onsite inspection, Ms. Snyder’s child care staff member was present with six child care children. The children were engaged in free play, then transitioned to an art project, before washing their hands and preparing to go outside. I also observed toileting and the appropriate hand washing. The staff member was bonded with the children and provided appropriate care and supervision.

As a result of the inspection, I did not find any rule or law violations.

During the exit conference, technical assistance/consultation was provided regarding the following:

- I reminded Ms. Snyder that the 2023 refresher training is available and must be completed by 10/31/2023.
- I reminded Ms. Snyder that all child care staff members must be fully qualified, including all trainings.
- I reminded Ms. Snyder that she must keep track of her absences and her child care staff member’s daily attendance.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0

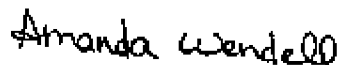

Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
