Dear Ms. Bandstra:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 04/12/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the onsite inspection, child care staff member, Ms. Lisa Erickson, was playing outside with a group of children while Ms. Bandstra was inside with another group of children, preparing lunch. I observed children come inside, wash hands, and eat lunch. They then prepared for rest time. I observed positive interactions between the staff members and the children.

As a result of the inspection, I did not find any rule or law violations.

During the exit conference, technical assistance/consultation was provided regarding the following:

- I reminded Ms. Bandstra that fire drills must be conducted at least quarterly. She did not complete a fire drill in the first quarter, so will complete at least two in the second quarter. I provided consultation regarding how to remember to complete fire and tornado drills.

<b>During calendar year 2021:</b>	<b>Total</b>
