Dear Ms Freiberg:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 04/19/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes. As a result of the inspection, I did not find any rule or law violations.

When I arrived for the onsite interim inspection, Ms. Freiberg and one child care staff member (CCSM) were providing care for five preschool and younger. Later in the inspection, four school aged children arrived. Children were engaged in a variety of self guided play and learning activities. All caregiver to child interactions were noted to be positive and focused on the individual needs of the children present in care. When redirection was needed, it was done in a supportive, child centered manner.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
