Dear Ms. Walma:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 06/05/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the onsite inspection, Ms. Walma and one child care staff member were present with 13 children. Nine children were child care children, and four of the children were related to Ms. Walma. During the onsite inspection, the children played outdoors, then came inside and were preparing for lunch. Ms. Walma and her child care staff member provided appropriate care and supervision to the children.

As a result of the inspection, I did not find any rule or law violations.
