(3) A licensee shall ensure that child care staff members and child care assistants, prior to caring for children, have training that includes information on all of the following:

(c) Prevention of shaken baby syndrome, abusive head trauma, and child maltreatment.

Ms. Farver and her child care staff member did not complete training in prevention of shaken baby syndrome, abusive head trauma and child maltreatment.

R 400.1905 Training.

(4) Within 90 days after receiving a child care license or of being hired at a child care home, a licensee, a child care staff member, and a child care assistant shall complete training on all of the following topics:

(a) Child development.

Ms. Farver or her child care staff member did not complete training in child development.

R 400.1905 Training.

(4) Within 90 days after receiving a child care license or of being hired at a child care home, a licensee, a child care staff member, and a child care assistant shall complete training on all of the following topics:

(b) Administration of medication.

Ms. Farver or her child care staff member did not complete training in the administration of medication.

R 400.1905 Training.

(4) Within 90 days after receiving a child care license or of being hired at a child care home, a licensee, a child care staff member, and a child care assistant shall complete training on all of the following topics:

(c) Prevention of and response to emergencies due to food and allergic reactions.

Ms. Farver or her staff member did not complete training in the prevention of and response to emergencies due to food and allergic reactions.

R 400.1905 Training.

(4) Within 90 days after receiving a child care license or of being hired at a child care home, a licensee, a child care staff member, and a child care assistant shall complete training on all of the following topics:

(d) Handling and storage of hazardous materials and the appropriate disposal of biocontaminants.

Ms. Farver or her child care staff member did not complete training in the handling and storage of hazardous materials and the appropriate disposal of biocontaminants.

R 400.1905 Training.

(4) Within 90 days after receiving a child care license or of being hired at a child care home, a licensee, a child care staff member, and a child care assistant shall complete training on all of the following topics:

(e) Precautions in transporting children.

Ms. Farver and her child care staff member did not complete training in precautions in transporting children.

(4) Within 90 days after receiving a child care license or of being hired at a child care home, a licensee, a child care staff member, and a child care assistant shall complete training on all of the following topics:

(f) Building and physical premises safety.

Ms. Farver or her child care staff member did not complete MIRegistry 1 training.

R 400.1905 Training.

(4) Within 90 days after receiving a child care license or of being hired at a child care home, a licensee, a child care staff

member, and a child care assistant shall complete training on all of the following topics:

(g) All hazards emergency preparedness and response planning.

Ms. Farver or her child care staff member did not complete MIRegistry 2 training.

R 400.1907 Child's records.

(1) Prior to a child's initial attendance, a licensee shall obtain the following documents:

(b) A child in care statement or receipt using a form provided by the department and signed by the parent certifying all of the following:

(i) Receipt of a written disciplinary policy.

(ii) Condition of the child's health.

(iii) Acknowledgement that the parent has been offered either a copy of the licensing rules for a child care home or has been given the website for an electronic copy of these rules.

(iv) Agreement as to who will provide food for the child.

(v) Acknowledgement that firearms are on the premises, if applicable.

(vi) If the child care home was built prior to 1978, then the licensee shall inform the parents of each child in care and all personnel of the potential presence of lead-based paint or lead dust hazards, unless the licensee maintains documentation from a lead testing professional that the home is lead safe.

Ms. Farver did not have child in care statements for 7 children. This is a REPEAT VIOLATION. See LSR dated 11/27/17 and CAP dated 11/27/17 and LSR dated 11/18/19 and CAP dated 11/18/19.

R 400.1907 Child's records.

(2) Records in subrule (1) of this rule must be reviewed and updated annually or when information changes.

Seventeen records were reviewed. Nine child information records and 7 child in care statements needed to be updated. This is a REPEAT VIOLATION. See LSR dated 11/27/17 and CAP dated 11/27/17 and LSR dated 11/18/19 and CAP dated 11/18/19.

R 400.1934 Heating; ventilation; lighting; radon.

(4) A licensee shall test the child care home for the concentration of radon gas before the

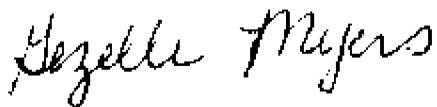

initial license is issued and every 4 years thereafter at the time of license renewal.

Ms. Farver did not have a current test for radon.

A corrective action plan was requested and approved on 11/04/2021. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
