Dear Marja Woods:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 06/28/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

During the onsite inspection I observed the children engaged in free choice activities. Ms. Woods uses the Caterpillar preschool curriculum with the children in care. Interactions between Ms. Woods and the children were positive and developmentally appropriate. Technical assistance was given on MiRegistry Health and Safety refreshers, diaper pad, child information cards, child in care statements, and emergency plans.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
