## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct

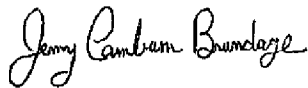

observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

The facility is in compliance with all applicable rules and statutes.

Ms. Woods provides the children with both structured and freedom of choice learning. I observed the children engaged in freedom of choice learning. I provided a basic rule review regarding infant safe sleep rules, and written emergency plans.

#### IV. RECOMMENDATION

I recommend no change in the license status.
