Dear Mrs. Bergmooser:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 07/11/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. During my on-site inspection I observed child care staff members bottle feeding, children resting their bodies and infants napping. Interactions between child care staff members and child care children were positive and nurturing.

During calendar year 2022	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
