Dear Ms. Moore:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 06/02/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes. As a result of the inspection, I did not find any rule or law violations.

During the on-site inspection, there were no children present due to Ms. Moore not currently providing care for children but wishing to keep her group childcare license active. I will observe interaction with the caregivers and children at a later date when Ms. Moore resumes child care programming.

<b>During calendar year 2021:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
