Dear Mrs. Weston:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 09/18/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection, I observed outside time, hand washing before lunch, diapering and nap time. Positive caregiver and child interactions and communications was observed.

During the exit conference, I provided technical assistance and consultation regarding the following:

- Hand-washing requirements for children.
- Ensuring all documents for child care staff members are kept on file.
- Obtaining written parent permission for child transportation.
- Updating Recall list.

As a result of the inspection, I did not find any rule or law violations.
