Ms. Christa Weston resides in a two-story house with a basement located in a rural area of Deerfield. The rooms on the main level approved for childcare meet the 35 sq. ft. requirement for each child. The main level kitchen/dining room, living room, family room, and one bedroom that is specifically used for sleeping purposes only are approved for child use. The entire upper and lower levels of the home are not approved for child care use. The lower level (basement) will only be used for conducting tornado drills or during actual tornado emergencies.
