Dear Ms. Lloyd:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 08/10/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection at the child care home, Ms. Lloyd and her child care staff member were preparing the children to go outside and do water play. They were engaged in positive conversations and the child care home was clear of any safety concerns. Ms. Lloyd applied sunscreen to the children while having conversations with the children.

As a result of the inspection, I did not find any rule or law violations.

<b>During calendar year 2019:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>
