Dear Ms. Lloyd:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 06/15/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection I observed Ms. Lloyd outside appropriately supervising the children while the other staff member was inside preparing lunch for the other child care children in care. While the child care staff member was preparing lunch she was also appropriately supervising the children. Both Ms. Lloyd and the child care staff member were observed to engage appropriately with the children. The child care environment both inside and outside were observed to be free of any safety hazards.

As a result of the inspection, I did not find any rule or law violations

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
