Dear Elva Walker,

This letter is to advise you that the 5/10/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Special Investigation Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

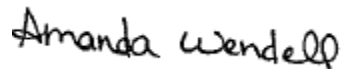

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1913(3)(b)	Elva Walker did not utilize appropriate discipline of Child A when putting soap around her mouth as discipline.	Elva Walker will obey the child care licensing rules related to discipline. She will praise positive behaviors as she sees them. She will correct misbehaviors, such as using inappropriate words, by staying calm and talking to the child.	5/10/24

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
