Dear Ms. Walker:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 12/20/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection there were eight child care children, one child care staff member and the licensee present. The children were having lunch. They then transitioned to nap time. All children were being appropriately interacted with and supervised.

Technical assistance was provided: Ensure all CCSM complete the MiRegistry 2022 Health and Safety Refresher.

As a result of the inspection, I did not find any rule or law violations.

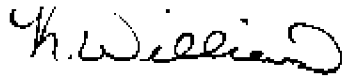

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
