Dear Ms. Postema:

This letter is a follow-up to the on-site inspection conducted at your home on 01/25/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes, specifically related to issues of child to staff member ratio.

At the time of the onsite inspection, one child care staff member was present with five child care children. An additional staff member was gone transporting three child care children to preschool and had taken two additional child care children with her. Prior to her leaving, there were 10 child care children present with two child care staff members. Ms. Postema was also present in the upstairs of the home.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this confirming letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when confirming letters are completed can be found under [Overview of Licensing Reports](#).
