Dear Ms. Homfeld:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/01/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection I was able to observe school age children outside playing in the snow, Ms. Homfeld was releasing some children to their parents and her assistant caregiver was caring for children in the child care space downstairs. The home was clean and free of any safety hazards.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 616-356-0183.
