Dear Ms. Homfeld:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 11/29/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection I was able to observe Ms. Homfeld and her child care staff member caring for thirteen child care children, most of them were laying down for a nap during my inspection. All safe sleep protocol was being followed and appropriate supervision was utilized by Ms. Homfeld and her child care staff member. The child care is well cared for and no safety hazards were noted.

As a result of the inspection, I did not find any rule or law violations.
