Dear Mrs. Taylor:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/05/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection I was able to observe some children playing in the child care room and some children napping. Ms. Taylor and her assistant were engaged in positive interactions with the children and the home was free of any safety hazards. We discussed the need for Ms. Taylor’s assistant to complete the health and safety refresher course, the fire extinguisher needing to be mounted and the emergency plans needing the update that is required by the department.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
