RE: License #: DG610313624

Dear Mrs. Taylor:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/07/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived at the child care Ms. Taylor and her child care staff member were caring for five children and one relative. The children had just finished up with snack and moved into free play. Ms. Taylor and the child care staff member engaged in positive interactions with the children in care and the home did not present any hazards.

Ms. Taylor and I spoke about the redetermination of comprehensive background checks coming up and the need to do 2023 health and safety training. Ms. Taylor recently had her home repainted and her emergency procedures were not posted because of this, so we discussed this needing to be done. In addition there were a couple child information cards that needed annual updates.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
