Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.1903 Licensee responsibilities.

(8) To comply with section 3c of the act, MCL 722.113c, a licensee shall have a policy and procedure on smoking and vaping that includes all of the following:

(b) Conspicuously post on the premises a notice stating that smoking and vaping are prohibited on the premises during child care hours.

Ms. Taylor did not have a notice stating that no smoking or vaping is prohibited on the premises.

R 400.1916 Bedding and sleeping equipment.

(5) Play yard mattresses must be purchased from the manufacturer of the play yard and be manufactured after February 19, 2014. Play yards must meet the Consumer Product Safety Commission safety standards for play yards, 16 CFR part 1221 (2019). Licensees shall comply with this subrule by December 31, 2019. These standards are available at <http://www.cpsc.gov>. They are also available for inspection and distribution at the Michigan Department of Licensing and Regulatory Affairs, Bureau of Community and Health Systems, Child Care Licensing Division, 611 W Ottawa, Lansing, MI 48933-1070.

Ms. Taylor had one play yard that was manufactured prior to 2/19/14.
