Dear Ms. Carter:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 07/20/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection Ms. Carter and her child care staff member were caring for twelve children, four of them being related. Ms. Carter’s sister was also visiting the child care home and was reading a book to the children during my visit. The children were engaged with caregivers and all interactions observed were positive. Ms. Carter’s child care was well cared for and no safety hazards were observed.

Ms. Carter and I discussed the child in care statements I reviewed needing to have annual updates. In addition, we discussed Ms. Carter’s child care staff member needs to complete the health and safety refresher for this year as a reminder.

As a result of the inspection, I did not find any rule or law violations.

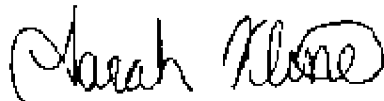

<b>During calendar year 2021:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>
