III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.1905 Training.

(1) A licensee shall complete not less than 10 clock hours of training each calendar year related to child development, program planning, and administrative management for a child care business, not including CPR, first aid, and infectious disease, including immunizations, training.

Ms. McDaniel did not complete 10 hours of training in 2020.

R 400.1905 Training.

(3) A licensee shall ensure that child care staff members and child care assistants, prior to caring for children, have training that includes information on all of the following:
 (a) Safe sleep practices to prevent sudden infant death syndrome.

Three child care staff members did not complete safe sleep training.

R 400.1925 Comprehensive background check; fingerprinting.

(2) An applicant or licensee shall do all of the following:
 (b) Maintain a copy of the completed and signed form(s) for each individual entered into the child care background check system under the license.

Ms. McDaniel did not have consent and disclosure forms for herself and her household members.

R 400.1952 Child transportation; parent permission; child information card; required when off-premises.

(1) A licensee shall obtain and keep on file written permission from a child's parent before a child is transported in a vehicle. Written permission must be obtained for both of the following:

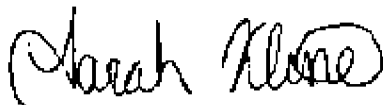

- (a) Routine transportation, at least annually.

Ms. McDaniel transports a couple of children to and from school on a regular basis but she did not have written permission from parent's.

A corrective action plan was requested and approved on 03/08/2022. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care group home (capacity 7-12).
