Dear Ms. Mendiola:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 05/11/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection I was able to observe Ms. Mendiola and her child care staff member interacting with children in a positive manner. The children were eating lunch and then transitioned to nap time. They also used the restroom and hand washing was observed. The home was free and clear of any hazards and well kept.

Ms. Mendiola’s child care staff had completed the 2022 refresher but not the original course one and course two as required by the department. Ms. Mendiola indicated that she would have her complete that right away and going forward would have any child care staff members do the original as well.

As a result of the inspection, I did not find any rule or law violations.

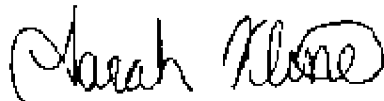

<b>During calendar year 2021:</b>	<b>Total</b>
