RE: SI LOG #: **Perez's Playplace
609 East St
Muskegon, MI 49442**

Dear Jennifer Perez:

This letter is to advise you that the 04/01/2022 corrective action plan you submitted in response to the Renewal Licensing Study Report, is not approved for the following reason:

- Each rule violation needs a timeframe assigned in which the correction will be completed.
- R 400.1916(6)(a) rule violation requires that all child care staff members complete safe sleep training again. Please indicate that this will be completed and in what timeframe.
- R 400.125(2) rule violation needs to indicate that a child care staff member will not be present in the home until a comprehensive background check has been completed and the person has been found eligible/supervised only status is achieved.

You have 5 working days from receipt of this letter to submit a revised corrective action plan regarding the violation of each rule listed in the report. Failure to submit an acceptable corrective action plan may result in disciplinary action.

The Bureau provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (989) 732-8062.

Sincerely,
