RE: License #: DG610410556
Perez's Playplace
609 East St
Muskegon, MI 49442

Dear Jennifer Perez:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 06/21/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my onsite inspection Ms. Perez and two child care staff members were caring for seven child care children. They were outside engaging in water play, the caregivers interacted positively with the children and encouraged sharing between them. The home was free and clear of any safety hazards. The children looked to the caregivers for reassurance. Ms. Perez had a large play structure in the back that requires ground covering, she will not allow the children to play on it until the ground covering is placed.

Ms. Perez and I reviewed previous citations, she had taken care of all violations. One child care staff member did not have course 2 of health and safety on miregistry but had documentation that she had paid for it. She will contact miregistry to make sure that it starts to show up on her training transcript. Ms. Perez and I also reviewed household members, one member was removed per her request and one was added.

As a result of the inspection, I did not find any rule or law violations.

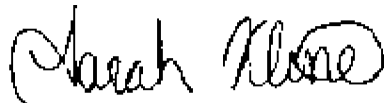

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
