RE: Application #: DG610412985
Parker, Tasha
2234 Continental
Muskegon, MI 49444

Dear Ms. Parker:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, an original license with a capacity of 12 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kortney Williams".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

The family child care home is a single-family home, with a finished basement.

Rooms and levels approved for child care use:

On the main level of the home the spare bedroom is approved for child use space. The main area on the lower level of the home and the learning room is approved for child use space.

The bathroom is located off the main area on the lower level of the home.

Areas not approved:

The kitchen, living room, dining room, and master bedroom are not approved for child use space on the main level. The laundry room and two storage rooms on the lower level are not approved for child use space.

Ages of children served:

Ms. Parker will care for children aged birth to 11 years of age.

Equipment:

Ms. Parker has an adequate amount of developmentally appropriate equipment. She has a discipline policy that reflects positive guidance and discipline techniques used to direct children’s behaviors.

Proposed days and hours of operation:

The child care home will operate from Monday through Friday, 24 hours.

Previous or concurrent licenses, including children’s foster care:

Ms. Parker has not previously held a child care or foster care license. She previously held a family home child care license, DF610402013.

Exiting information (including second floor and basement):

The home has three exits on the main level. The front porch off from the living room provides egress to the front of the home. The backdoor provides egress to the backyard and the side door provided egress to the front via the garage; both doors are located in the breezeway off the kitchen. The home has two exits in the basement. There is an egress window located in the learning room that exits to the backyard. There is also a flight of stairs in the basement’s main living space that leads to the breezeway and provides egress out the back door and the side door.

Outdoor play area description:

The play area is in the backyard of the home and is fenced in
