## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct

observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

At the time of the on-site inspection, I provided Ms. Child's with technical assistance and consultant regarding the following Child Care Homes Licensing Rules:

R400.1907(2) Child's records.

R400.1931(8) Food preparation and service.

R400.1945(2)(b) Emergency; plan; drill.

The facility is in compliance with all applicable rules and statutes.

#### **IV. RECOMMENDATION**

I recommend issuance of a regular license to this child care group home (capacity 7-14).
