Dear Lindsey Frick,

This letter is to advise you that the 12/21/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1904a(3)	Child care staff member, E.W. who reported being hired in November did not have fingerprints on file.	Moving forward prior to having an individual work (hire) with children I will have a comprehensive background check completed. Staff member E.W. will not return until fingerprints are completed and she is deemed eligible.	12.21.2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact RaSheeda Mitchell at
