Dear Ms. Clark:

This letter is to advise you that the 10/12/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed                                                                                                                                                 | Plan to correct                                                                                                                          | Date to be completed |
|-----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|----------------------|
| R400.1904       | Child care staff member (CCSM), C.D. did not have a valid certification in infant, child and adult CPR and first aid at the time of my onsite inspections.             | C.D. will not be able to work until CPR in infant, child and adult as well as first aid has been completed.                              | 10/15/2022           |
| R400.1904       | Child Care staff member (CCSM), C.D. did not have proof of training in the prevention of infectious disease, including immunizations on file at the time of my onsite. | All staff will have training in prevention of infection disease including immunizations before they can come back to work.               | 10/30/2022           |
| R400.1904       | Ms. Clark did not ensure that CCSM, C.D. was deemed eligible to serve as a child care staff member prior to contact with children. Ms.                                 | Going forward I will not allow anyone to work without getting their fingerprints first to see if they're eligible to work in child care. | ASAP/ongoing         |

|           |                                                                                                                                                                                                                                                                                                                 |                                                                                                                                |            |
|-----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------|------------|
|           | Clark shared that C.D. had been employed for her as a CCSM for two weeks (at the time of my onsite inspection).                                                                                                                                                                                                 |                                                                                                                                |            |
| R400.1905 | Child Care staff member (CCSM), C.D. did not have verification on file that the mentioned requirements of this rule were completed at the time of my onsite. I requested verification to be sent to me later during the day of my onsite and at the time of this written report, verification was not received. | All staff have training in A,B and C as of 09/14/2022.                                                                         | 9/14/2022  |
| R400.1905 | The required trainings of this rule had not been completed by CCSM, N.D who shared she's worked for the facility for approximately 4 years. Ms. Clark shared she's well aware of the MiRegistry system and knows how to navigate through it to assist her staff.                                                | Training K.D. and I have the training in child development, adm-meds etc. within the 90 days and C.D. will have training by... | 10/14/2022 |
| R400.1906 | Attendance for CCSM's and licensee was not maintained and when asked the CCSM, N.D. indicated she does not sign in and out daily.                                                                                                                                                                               | I will maintain a file for all staff that includes arrival and departure times.                                                | ASAP       |
| R400.1906 | A written statement indicating i-iii of this rule was not on file for CCSM, C.D.                                                                                                                                                                                                                                | C.D will sign a form before she can return to work.                                                                            | 10/11/2022 |
| R400.1907 | Multiple child information and in-care statements were not updated annually.                                                                                                                                                                                                                                    | Records will be updated yearly or if information changes. All staff will know were files are maintained.                       | 09/12/2022 |
| R400.1907 | The nine children present was not signed in for the day with their first/last names and time of arrival.                                                                                                                                                                                                        | Going forward I will have parents sign children in and out on a time sheet daily.                                              | ASAP       |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
