Dear Mrs. Kilgore,

This letter is to advise you that the 03/18/2022 corrective action plan you submitted in response to the Interim Inspection Report, is not approved for the following reasons:

- The responses to correct violations did not specify what action would be taken to show compliance with each rule. In other cases, no response was provided to correct a violation. This includes but is not limited to all of the safe sleep violations that appear in the report (R 400.1912(1), 1916(8), 1916(13)(i)).
- The corrective action plan submitted largely explains the reasons for the noncompliance, not how the violation will be corrected. Technical assistance and examples of how to write the corrective action plan are provided in the body of the email sent with this disapproval letter.

You have 5 working days from receipt of this letter to submit a revised corrective action plan regarding the violation of each rule listed in the report. Failure to submit an acceptable corrective action plan may result in disciplinary action.

The Bureau provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. If I am unavailable and you need to speak to someone immediately, you may contact the central office at (517) 284-9730.

Sincerely,

A handwritten signature in black ink, appearing to read "Cynthia Jalynski". The signature is written in a cursive style with a large initial "C".
