Dear Ms. Nelson:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 05/09/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection, I reviewed children's and staff member's records. I observed children in care engaged in a variety of developmentally appropriate activities, including outdoor play and playing building blocks. I also observed toileting, handwashing, and meal service. The caregivers' interactions with the children were positive and nurturing.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
