Dear Susan Budde:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/02/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

At the time of the onsite inspection, Ms. Budde was present with one child care staff member and 13 children. When I arrived, the children were engaged in free play. I observed them transition to watching television while lunch was being prepared. Ms. Budde and her staff member provided appropriate care and supervision of the children and appeared bonded with them.

As a result of the inspection, I did not find any rule or law violations.

During the exit conference, technical assistance/consultation was provided regarding the following:

- Ms. Budde and I reviewed the topic of programming. Ms. Budde believes in a child-driven play-centered approach. Child have lots of opportunity to engage in free play, as well as the opportunity to participate in reading, coloring, and other activities as they wish. We also discussed the requirement that children watch no more than two hours of television daily.
