Dear Guadalupe Cain,

This letter is to advise you that the 01/04/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1905(9)	Neither licensee has completed the 2023 refresher training.	Both licensees will complete the refresher training for 2023.	01/14/2024
R 400.1920(5)(a)	The swing set and slides are placed over hard dirt and grass.	The licensees will replenish the wood chips under the swings and slides and any other fall hazard areas.	Spring 2024
R 400.1934(5)	A radon test was required for this renewal but was not completed.	The licensee will check to see why they did not receive the results of the radon test they sent in or will redo the test.	01/19/2024
R 400.1941(5)	A water heater inspection was required for this renewal but was not completed.	The licensees will check with the company that did their furnace inspection to see why they did not write in the water heater results.	01/19/2024

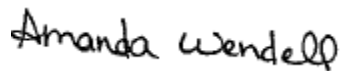

R 400.8330(22)	A child was napping and had a bottle in bed with her.	Children will not have bottles in bed or while playing.	01/04/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services.
